39	JSB10-39	Wrench		2
40	JSB10-40	ID Label (not shown)		1

JET publishes this drawing and list jointly for JSB-10L and JSB-10H. Select 1725 rpm parts for JSB-10L and 3450 rpm parts for JSB-10H. Both alternatives are retained.

This stock number is a machine-and-stand package. This parts reference covers the buffing machine only; the original manual does not provide the package stand breakdown.
